## Public Notice

### Harvey Wastewater Scheme Maintenance 17 June - 26 July

For customers connected to the Harvey Wastewater Scheme, please be advised work will commence by our authorised contractors to clean and investigate sewers in your area.

This work is necessary to ensure the integrity of the sewer system in order to reduce the likelihood of wastewater overflows. CCTV cameras will be lowered into the sewers via existing access chambers, providing us the ability to view the pipe condition and any blockages.

This work will have a low impact on the community. No road closures are anticipated.

For a small number of customers, we may need to enter your property. If this is required, you will be contacted to arrange a suitable date and time.

We apologise for any inconvenience this may cause.

For more information: Ben Colbran,  
Project Manager, (08) 9791 0411

### Hard Refuse Collection

The Shire of Warona's Hard Refuse Collection will be taking place in August and any of the following items will be collected:

- White goods (stoves, washing machines, fridges/freezers - doors must be removed for safety purposes).
- Televisions
- Scrap metal
- General junk (furniture and general household items)

The collection dates are:

Preston Beach town sites/ Lake Clifton  
Commencing Monday 12th August 2019

Warona & Hamel town sites  
Commencing Tuesday 20th August 2019

Residents are encouraged to check if their property is within the service zone by referring to the maps located at the Shire Administration Office, Library, Preston Beach General Store, Preston Beach Community Centre and Lake Clifton Community Centre.

It is important that residents pay close attention to the requirements of verge collections. Non-compliance with these requirements may result in some of the waste remaining on the verge and a possible infringement notice being issued in accordance with the Litter Act 1979.

The Shire requests that residents place all waste in four separate neat piles on the verge as per the guidelines: no earlier than one week prior to the dates above. The maximum volume of hard refuse to be collected from each residence is two cubic metres.

For further information please contact the Shire Office on 9733 7800.
