

# 4 o'Clock Report

5 OCTOBER 2021 • EDITION 109

The Shire undertook a six-week consultation process during June, July and August to receive community feedback on the proposed community precincts in Australind and Harvey.

The precincts will include a range of community and civic facilities and services for all ages and they are designed to cater for the Shire's future needs, for our children and grandchildren to use.

Communications about the project reached over 40 per cent of the Shire's population.

Over 2,000 people or 7 per cent of the Shire's population participated in different

engagement opportunities and 550 direct survey responses were received for both projects.

A consultation report was presented to Council on Tuesday, 28 September 2021.

The report presented the findings of the public consultation process in a transparent and unbiased manner in order to inform the Council decision making process.

Council requested the amendment to the Harvey Community Precinct master plan based on the feedback provided by community. Following this process, the master plan will be presented back to Council and community.

Council also requested to defer the decision about the Australind Community Precinct location until the November Ordinary Council meeting in order to provide further consideration to the options presented in the consultation report.

The local community will be involved at every stage, creating an open conversation to ensure all ideas, thoughts and opinions are heard.

## Get out and Vote!

## Age Friendly Plan 2021 - 2026

The Shire is developing an Age Friendly Plan by reviewing the needs, aspirations and framework required to make our Shire an age friendly Shire for residents and visitors 55 years and over.

The development of this plan builds upon and reviews the Greater Bunbury Age-Friendly Communities Strategy developed in August 2016.

The resulting Action Plan will identify ways to make the Shire of Harvey an even more age-friendly community and advocate improvements to age-friendly services.

Visit the Shire's website to complete the survey or come along to one of our community engagement sessions to have your say. Paper copies of the survey are available at Australind and Harvey Libraries, Harvey Recreation and Cultural Centre and Leschenault Leisure Centre.
