

2024-2025 Budget Highlights

Brunswick River Cottages

The Shire of Harvey has included \$3.6 million in the Budget to progress the Brunswick River Cottages. This Project is a social and affordable housing development designed to support older community members living in Brunswick Junction.

Yarloop Timber Mill Workshops

The Shire is recommending the \$5.3 million Yarloop Timber Mill Workshops Redevelopment and Interpretative Project. This Project will tell multiple stories about local industrial history, timber milling, local people, and the 2016 fire.

Leschenault Volunteer Bush Fire Brigade

The Shire has set aside self-supporting loan funding to carry out much needed upgrades to Leschenault Volunteer Bush Fire Brigade facilities. This funding will ensure our volunteer firefighters continue to have a safe premises.

Harvey Golf Club

The Shire is supporting the Harvey Golf Club expansion project. This will ensure the Club can meet the needs of local golfers and the growing Harvey Region community.

Brunswick Tennis Club

The Shire has set aside funds for Brunswick Tennis Club court reconstruction works. This will ensure tennis players have safe and adequate playing surfaces to practice their swing.

Binningup Surf Life Saving Club

Binningup Surf Life Saving Club will receive funds for building upgrades. This funding will assist Club users and ensure a high-quality facility that supports local swimmers, training opportunities and coastal safety.

The Pav

The Pav (Pavilion) within the Leschenault Recreation Park will receive a \$250,000 boost. This will support site improvements and benefit the Harvey Region's growing sporting community.

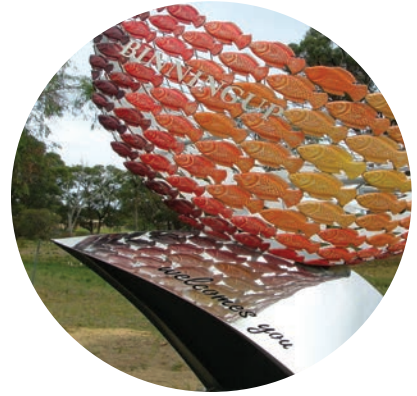

Myalup Beach Road

The Shire will improve driver safety with \$250,000 allocated for Myalup Beach Road hazard reduction activities. The money will pay for road widening and the removal of roadside threats.

Binningup Skatepark

The Shire has set aside \$100,000 for Binningup Skatepark design and redevelopment works. This will increase the recreational offering for Binningup community members, especially youth.

Leschenault Recreation Park

The Shire has allocated funds for design planning at Oval 7 and Oval 8 at the Leschenault Recreation Park. Funds have also been allocated for oval renewal works at Oval 2.

Harvey Accessible Playground

The Harvey Accessible Playground will come to life with a \$100,000 injection for design and documentation. This will help the Shire improve access and inclusion in the Harvey Region, as well as create a space local families love.

Harvey Recreation Ground

The Shire has put \$2 million towards developments at the Harvey Recreation Ground. This will fund improvements to the Ground's drainage network and keep the playing surfaces safe and well-maintained.

Travers Drive and Cathedral Avenue

Traffic management at Travers Drive and Cathedral Avenue in Australind will improve thanks to a \$570,000 boost in the 2024-2025 Budget. This funding will support intersection upgrades and improve traffic flow.
